WORK EXPERIENCE

Front End Developer Kratikal Tech Pvt Ltd Noida

October 2022 - Present

- Developed multiple user interfaces for web applications with HTML, CSS, JavaScript, and React, tested applications to ensure compatibility and optimal performance across various browsers and devices.
- As a forward-thinking individual, I constantly explore emerging technologies, staying at the forefront of Front End development trends.

Front End Engineer GKM IT Pvt Ltd Rajasthan

October 2021 - October 2022

- My focus on code quality and performance optimisation has enabled me to tackle complex challenges and elevate user experiences. With a deep-rooted passion for growth and innovation, I am eager to embrace new technologies and lead impactful projects.

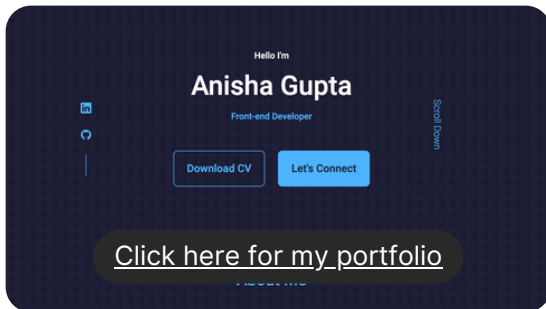

Associate Front End Engineer Clover Bay Technologies Pvt Ltd Bengaluru

November 2020 - October 2021

- As an Associate Front End Developer, I have learned HTML, CSS, JavaScript, and React.js, crafting responsive websites and interactive interfaces.
- Developed and deployed multiple user interfaces across various projects, continuously optimising code in order to securely accommodate up to 10000 users. Reduced load time by 25% and improved overall performance.
